

DEVENDRA H. CHAVDA

Date of Birth: 09/03/1997

Email Address: devendrachavda97@gmail.com

Contact No.: +91 7990538965

Address: Licenagar, Morbi - 363641

Career Objective

My perspective for choosing the engineering field is to gain technological knowledge along with adapting soft skills, enabling me to solve social problems through economic development and technological advances. I would like to work in a challenging environment that demands all my skills and efforts while allowing me to adapt to different fields where I get the opportunity to continuously develop myself socially, economically, and intellectually.

Work Experience

Keda Industrial India Ltd.

Experience: 20th Aug 2024 – Present

Designation: Supervisor

Department: Production Department

Job Role:

- Managing plant production of lapato abrasives, cutters, and rollers (ceramic tile polishing line consumables).

- Leading a team of 12 staff members effectively.
- Preparing different grit materials as per requirements.
- Attending weekly meetings and submitting weekly and monthly plans and reports.
- Scheduling raw material procurement and final production.
- Achieving monthly goals while effectively managing both quality and quantity of final production.

Simola Tile LLP

Experience: 1 year (Aug 2023 - Sept 2024)

Designation: Designer

Department: Matching & Developing

Job Role:

- Primarily focused on matching tasks with some development work.
- Matching work is essential in the ceramic industry due to fluctuating temperatures and variations in material quality.
- Matching for glazed vitrified tiles in various surfaces like high gloss, glossy, rustic, ATR, rocker, and anti-slip.
- Developing designs for endless, book-match, and carving files.
- Working with a variety of tile sizes and thicknesses.
- Most of the matching work is done using Photoshop software, utilizing the CMYK color combination for precise adjustments.

SAL Infracon Pvt. Ltd.

Experience: 4 years (March 2019 - May 2023)

Designation: Technician

Department: Operation & Maintenance

Job Role:

- Handling passive inventory for 22 sites.
- Working on uptime, automation, preventive maintenance, and corrective maintenance.
- Project work on dust removal, alarm compliance, and earth check.
- Familiar with Indus Tower equipment like power plants, battery banks, generators, SPS, AC, FCU, and stabilizers.
